

MARIE ANDRÉ

Bourgogne 2014

Chardonnay

AREA: Burgundy

CLASSIFICATION: Appellation d'Origine Contrôlée Régionale

GRAPES VARIETY: 100% Chardonnay

COLOR: White wine

GEOGRAPHICAL SITUATION

Burgundy is the home of the Chardonnay grape, which develops its most perfect expression on this land. Produced in the Côte-d'Or, Saône-et-Loire and the Yonne, Burgundy Chardonnay is a wine of initiation, inviting you to discover the appellations Village, Premier Cru and Grand Cru of Burgundy.

SOIL TYPE

Clay and limestone soils resulting from the weathering of limestone and marl substrate.

VINEYARD

This wine comes from vineyards of Piedmont. Average age of vines: 20 years. The vines are worked using integrated viticulture. Plantations: 10,000 vines / hectare. Yield: 60 hectoliters / hectare.

HARVEST

Harvest by hand.

VINIFICATION

Traditional vinification. The grapes are pressed immediately upon arrival at the winery in pneumatic presses. Fermentation in stainless steel thermo-regulated at 16°C.

AGEING

Aged in stainless steel thermo-regulated vats during 8 to 10 months.

TASTING NOTES

Light gold in colour. The flavors are fresh and elegant: white flowers, lime, hazelnut. The palate is accurate with a good acidity.

FOOD PAIRING

Perfect with a tripe sausage or Burgundy snails but also with fish, shellfish or poultry with cream sauce or white meat. Hard cheeses (Gruyère and Gouda ...) or fresh Goat cheese.

TEMPERATURE

11-13°C

ANALYSIS

%Vol : 12,8 - SR (g/L) : 1,4 - AT (g/L ac. tartrique) : 5,75

MARIE ANDRÉ

Marie André offers a selection of prestigious wines. Respecting the terroir constitutes a fundamental value for this signature. Cultivated on the most beautiful terroirs, our wines express every shade of color and flavour so specific of Burgundy. The geological diversity of this region enables a wide variety of wines and permits to each Cru to develop a specific color and a nice richness. After a conscientious and meticulous work of the vineyard, the harvested grapes let this unique terroir express itself.
