## Sally's Hill Pinot Noir 2013

Estate grown from the vineyards on Sally's Hill including the famous Sally's Paddock vineyard. These exceptional varietal wines reflect the wonderful idiosyncratic characters and flavours of our estate grown grapes and the unique style of Sally's Paddock wines. Hand picked, hand punched, small batch fermented and basket pressed, these wines are a true expression of our non-irrigated, self sustaining vineyards.

### **Tasting Notes**

The lovely Garnet colour, with red tinged edges indicate this wine's innate complexity. Lifted aromas of rose petals and dark berry fruits dominate, some clove spice and dark cherry show in the background. Typically unusual Pyrenees Pinot Noir in the Redbank Winery style. The palate is earthy and savoury with ample body showing subtle cloves and star anise spices. Lifted berry fruits, plum and light spicy notes lead to an extremely long, dry finish. Firm acidity, well integrated oak and fine tannins give a well balanced wine that has been matured to its optimal drinking age. Aged in old oak Puncheons for 3 years this wine should improve for 5 to 10 years in the cellar.
