

Sally's Paddock

Redbank Winery

Sally's Hill Shiraz 2013

Estate grown from the vineyards on Sally's Hill including the famous Sally's Paddock vineyard. These exceptional varietal wines reflect the wonderful idiosyncratic characters and flavours of our estate grown grapes and the unique style of Sally's Paddock wines. Hand picked, hand punched, small batch fermented and basket pressed, these wines are a true expression of our non-irrigated, self sustaining vineyards.

Tasting Notes

Bright garnet colour with purple hues show intensity and depth. Aromas of White pepper, black plums and peppermint layered with vanilla and clove spices. Great intensity of savoury flavours coupled with oak spice and silky tannins give excellent balance and structure. A full bodied, lovely and typical Pyrenees Redbank Shiraz style which will improve for five to ten years.
