## The Sally's Paddock 2013

The Sally's Paddock is the jewel in the Redbank crown. Named after winemaker Neill Robb's wife, Sally's Paddock is a distinctive wine made from a single non-irrigated vineyard established in 1973 at Redbank. The Sally's Paddock vineyard grows modest crops of exceptional quality Cabernet Sauvignon, Shiraz, Cabernet Franc, Merlot and Malbec which are hand-picked at optimum balance, small batch made, hand punched and basket pressed all in the old Australian way. Extended use of new American and Nevers oak ensures that the characteristics of the unique blend from this legendary vineyard are conserved in the wine until ultimate maturity. It is universally regarded as one of Australia's classic red wines.

### Tasting Notes

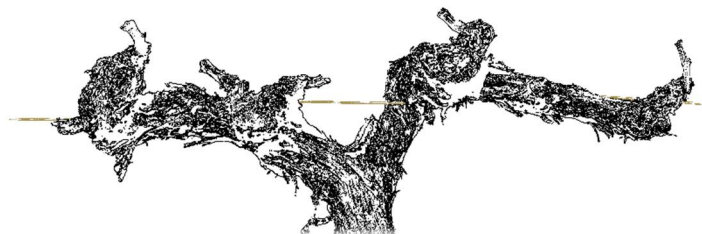

The 35th year of this iconic Australian blend is exceptional even for the Sally's Paddock marque.

Brooding concentrated dark purple colour with red tinged edges. Aromas of blackcurrant, plums, white pepper and cassis dominate over savoury notes of dried herbs and earthy notes.

Balanced flavours across the palate of savoury spices, dense cedary black fruit. Intense earthy characters are overlaid with white pepper, cassis, dark chocolate and hints of mint. A Remarkably complex palate that is rich and mouth filling, yet balanced by firm yet velvety tannins, sweet oak and excellent length.

In true Sally's Paddock style this wine is approachable in its youth but will continue to age gracefully for the next 15 – 20 years.

<b>Vintage:</b>	2013
