

JOHN KOSOVICH

PEMBERTON CHARDONNAY 2015

Variety : Chardonnay

Region : Pemberton, Western Australia

Bottled : October 2015

Alc : 13%

PH : 3.30

Oak : 6 Months new French Tonnellerie Cavin

WINEMAKERS NOTES

Fruit sourced from our Pemberton Vineyard (est.1989) from what was a very good year in the south-west. A mild to warm summer ensured great ripe flavours, which is evident in the wines from this vintage. The fruit is all dry grown and cropped at 1.5 ton to the acre. The grapes were hand harvested in early March at 13 be and with ph of 3.30 and fermented in Cavin French oak barrels then aged for a further 6 months in oak. Subtle lees stirring was undertaken during that time. The wine was blended, lightly fined and bottled in October 2015.

TASTING NOTES

The wine opens up with flavors of melon and stonefruit and shows lovely minerality from the cool climate vineyard. Very tightly focused fruit and acid balance is enhanced by the subtle use of French oak. The wine has great length of flavor and displays an overall elegance and refinement on the palate. Nice long, dry finish with plenty of refreshing lime juice type acidity to match. Complex notes of some bottle development giving the wine a lovely texture.
