## WINEMAKERS NOTES

The 2016 vintage was excellent throughout Western Australia. The grapes were hand harvested slightly ahead of normal, with full flavours and desired sugar levels reached. The vintage conditions retained near perfect natural acidity in the fruit so minimal handling was only required. The wine was fermented in stainless steel tank then fined, filtered and bottled young to retain fruit freshness.

## TASTING NOTES

The aroma of this wine shows tropical fruit hints combined with spicy tones and fresh citrus juice acidity. A full flavoured wine with elegance, finesse and fruit weight. The crisp acid balance leads to a refreshing dry finish. As with the variety, some lovely bottle aged notes add to the complexity of the palate and nose.
