## 2017 Bianco

### The style

I have always enjoyed drinking the savoury textural wines of Northern Italy namely Soave from the Verona region which is the home of Romeo and Juliet.

### Winemaking

The fruit was crushed and de-stemmed, chilled, and the free-run and very gentle juice pressings were separated, settled overnight before each parcel of fruit was fermented to dryness in stainless steel, at approximately 12 degrees Celsius, using a specially selected aromatic yeasts.

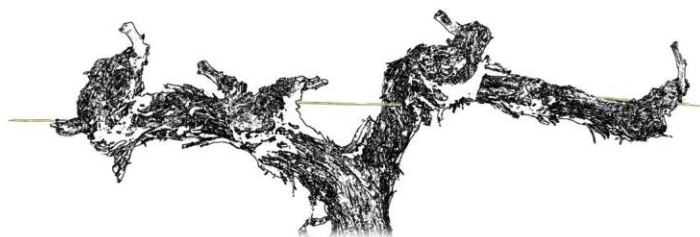

### Wine Analysis

Alcohol 11.5%

### Tasting note

The second release of our BIANCO is a blend of Pinot Grigio, Sauvignon Blanc and Arneis; Its a wine style that is designed for summer drinking with fresh seafood and healthy salads. With aromas of peach blossom and almond followed by flavours of lite apricot and baked golden apples.
