2017 RIESLING

REGION	Clare Valley, South Australia
LOCATION	Watervale, Clare
ALC/VOL	12.0%
VARIETY	100% Riesling
OAK	Unoaked
RELEASED	August 2017

Over the past 7 vintages we have extolled the virtues of Darry and Chris Honey's superb vineyard at Watervale in the Clare Valley. Still regarded as the premier Riesling growing region in Australia.

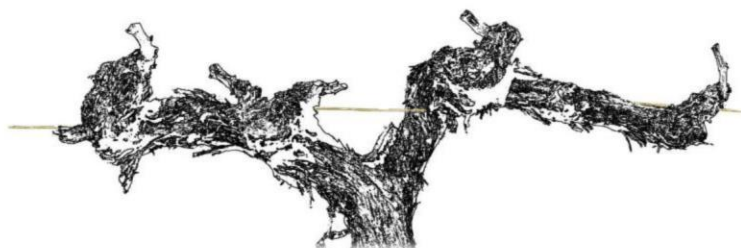

Previous vintages have won gold medals at the Royal Adelaide and Royal Melbourne Wine Shows. The 2017 vintage has again achieved show honours with 1 x silver medal and 3 x bronze medals. Hence, every vintage we have produced from this vineyard has been awarded gold and or silver every year.

The 2017 has the same consistent high quality.

An excellent, but slow ripening vintage resulting in a very late pick in early March. As previously, the typical lime and lemon flavours, together with well-balanced mineral acidity, are again prominent.

Whilst new, pale straw colour, it will develop into a mellower, honey coloured wine over coming years, for those who enjoy older Riesling.

Serve chilled and enjoy on its own or particularly with seafood & Asian dishes.
