

# MAVERICK

*Hand-crafted Barossa Wines*

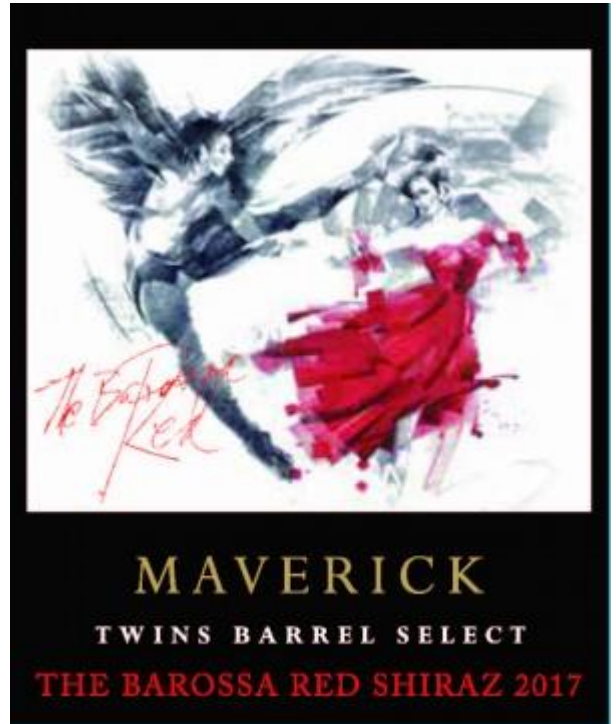

## *2017 Twins Barrel Select Shiraz*

***Vineyard & Vintage comments:*** Shiraz and the Barossa are still for wine lovers around the world the epitome of premium Australian wine. This Shiraz accordingly comes from our very top terroirs in our Twin Shiraz vineyards - at Ahren's Creek in Vine Vale in the hot dry Barossa Valley and at Trial Hill in Pewsey Vale in the cool climate high altitude Eden Valley. This remarkable "Twinning" results in a voluptuous yet elegant wine.

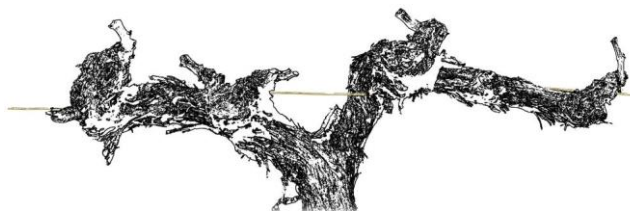

Perfect with beef, lamb, game and cheese.

***The label:*** Our label painting is by Sydney-based artist Charles Billich, one of the art world's living icons and a lover of our like-minded Maverick wines, and includes the hedonistic enjoyment which we hope this wine will bring!

If you look very closely and have 20/20 vision you may be able to see on this canvas each of the individual letters comprising "MAVERICK".
