**Tasting notes**

Woods & Mathews Cabernet Sauvignon has a deep yet bright purple hue. With aromas of blackcurrant, blueberry and cacao as well as herbal notes showing thyme and bay leaf. Rich and plump on the palate, yet firm and juicy with layers of plush dark berry fruits displaying ripe mulberry flavours, and hints of dark chocolate & liquorice. There is a mention of mint which is a signature to the region. The palate is salacious & mouth-filling with soft tannins to finish.
