

JOHN KOSOVICH

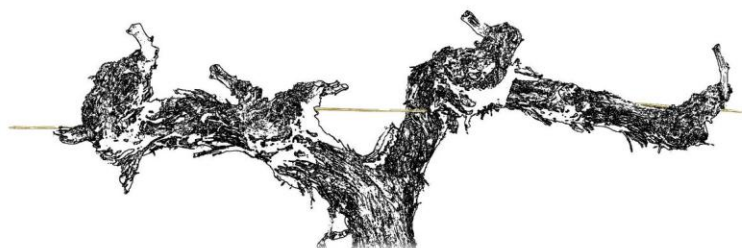

LIQUEUR MUSCAT

WINEMAKERS NOTES

Grapes used to make this wine are sourced from our 1922 Swan Valley Vineyard. We have vintages of Muscat stored dating back to the 1940's. This wine is a blend of vintages using the 1940 material as a base then blending up with portions from the 70's, 80's and younger material to give the wine a fresh perfumed lift. Every year we make 3 barrels of Muscat that is put away for years to come.

TASTING NOTES

The wine offers intense characters of raisins, chocolate, coffee and spice. An incredible amount of concentration and layers of flavours from the many years of storage in oak. A luscious wine with amazing length of flavour which is not cloying. Awarded 15 gold medals and 8 trophies to date including Best Fortified Wine at the 2006 Swan Valley Wine Show.
