*Redbank Winery*

## 2015 Sally's Hill Cabernet Franc

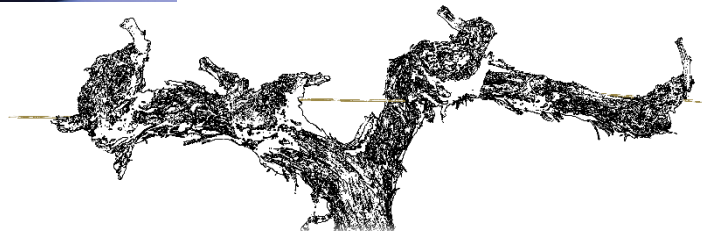

Estate grown from the vineyards on Sally's Hill including the famous Sally's Paddock vineyard. These exceptional varietal wines reflect the wonderful idiosyncratic characters and flavours of our estate grown grapes and the unique style of Sally's Paddock wines. Handpicked, hand punched, small batch fermented and basket pressed, these wines are a true expression of our nonirrigated, self-sustaining vineyards.

### **Tasting Notes**

A dark Garnet colour. Earthy and dense with aromas of blackberry, cassis, black cherries, pepper spice and cloves. A generous, full flavoured balanced body showing great depth and mouth filling sweet dark forest fruits with herbal nuances, background spice notes and hints of eucalyptus. Integrated oak and fine yet powerful tannins evolve into a persistent finish. This wine will continue to improve in the cellar for many years.
