

Sally's Hill

2014 Shiraz

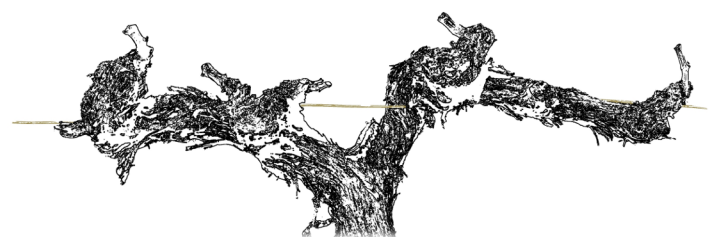

Estate grown from the vineyards on Sally's Hill including the famous Sally's Paddock vineyard. These exceptional varietal wines reflect the wonderful idiosyncratic characters and flavours of our estate grown grapes and the unique style of Sally's Paddock wines. Hand picked, hand punched, small batch fermented and basket pressed, these wines are a true expression of our non-irrigated, self sustaining vineyards.

Tasting Notes

Aromas of dark cherries and plums, coupled with vanilla, oak spice and characteristic pepper. The palate is earthy and dense with dark fruits and spice notes. A powerful yet well balanced structure with supple tannins gives the impression of a full bodied, mouth filling, and extremely enjoyable wine.
