

# Sam Miranda

KING VALLEY

## 2017 MOSCATO

### The Wine

Delicate citrus blossom with a spicy juicy texture are the defining characteristics of this wine. The third release of our Moscato.

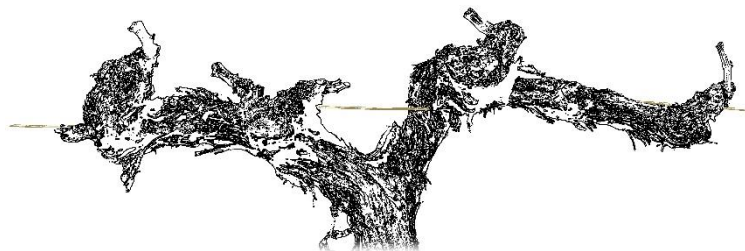

### Winemaking

Held cold in tank with the fermentation arrested between 3 – 4 baume. The natural co2 has been retained which gives the wine a slight spritz on the palate. Delicate citrus blossom with a spicy juicy texture are the defining characteristics of this wine.

### Viticulture

Grown at one of the coolest sites in the upper King Valley south of Cheshunt. A long ripening allowed the classic moscato flavours to develop while maintaining the natural acidity in the grapes.
