## KING VALLEY

### 2019 Rosato

*ROSATO by name ROSE by nature..*

This Italian version of a classic wine style that is synonymous with easy drinking and easy times. A blend of three Italian varieties: Sangiovese, Barbera and Nebbiolo all grown on our Myrree Estate vineyard in the King Valley. The cold night temperatures maintain the natural acidity in the fruit while allowing the grapes time to develop the delicate ripe varietal flavours. Harvested in the cool of the night and pressed off skins with only a hint baby pink being present in the juice. A cold ferment with extended yeast lees contact post ferment adds a textural mouth feel to the fresh vibrant fruit aromas and flavours.

A perfectly DRY style of ROSATO with aromas of strawberries and cream. The palate is bright and savoury with the crisp natural acidity rounding out the moorish length of flavour. A style of wine that is designed to be easy drinking and will suit a range of cuisine.
